Here for you, not for profit.

I lovingly prepare for Easter with quietness in my heart.

Lent is a time of preparation for Easter, a time of following the guidance of our inner spirit.

Prayer and fasting are keystones to the spiritual growth which culminates in a resurrection of the spirit. We may be led to pray more deeply, to pray at specific times, to join others in special prayer services. We may make our periods of meditation and prayer more disciplined than usual, or perhaps the experience of free-flowing meditation will bring us new spiritual insight. Fasting from negative thinking and speaking can result in a marvelous release of spiritual energy and creativity.

As we lovingly prepare for Easter, let us do so with quietness in our hearts. Spiritual growth flourishes in silence, in calm, in serenity. Let us rejoice in the opportunity to make ourselves ready for the joy of Easter.
